

Dear Valued Customers,

We are sending all our customers and employees best wishes for the continued good health of their families, friends, neighbours, and associates during this unprecedented time. Our employees, as well as our suppliers, know the importance of implementing the precautions advised by the CDC, which includes increased hygiene measures.

Given the growing concern around COVID-19, we want to take this time to let you know that The Deck Yard is here to support you. We are proceeding with great caution and care to ensure the safety of all involved. For now, we are following the Ontario Government guidelines for essential workplaces and services. We fall under Line 7, Hardware stores and stores that provide hardware products. We will reduce our store hours from 8am-4pm Monday-Friday and will be open Saturdays by appointment only.

We are taking steps to ensure you can continue to rely on The Deck Yard for providing top-quality service. We will continue to adhere to the current health and safety measures put in place by the Ontario government. Unfortunately, we will close our office to customers, but we can provide sales and material consultations over the phone or virtually. Our freight team can continue to operate and provide deliveries without any face to face interaction.

We have contingency plans in place to ensure we can continue to serve you as best as possible under the everchanging conditions. For more information please contact us by phone at 1-888-985-8116 or by email at Orders@Decks.ca

Wishing you the very best of health,

The Deck Yard
